See overleaf for a list of the additional accessories available for the Morris Oxford.

MORRIS OXFORD (SERIES VI)

Ownership of a new Morris Oxford is certainly a thing to be proud of. Among the many advantages which possession of this car brings are extensive service facilities.

One such facility is the offer of a full range of extras individually styled and selected for your car. In short, B.M.C. Approved Accessories.

The accessories illustrated opposite have been chosen as particularly suitable for the Morris Oxford; a full list of additional accessories is contained overleaf. You are sure to find items amongst the large range offered to suit your taste and pocket.

Before being marketed all B.M.C. Accessories are tested and approved by the engineers who produced your car, and all carry the safeguard of a 12 months' warranty—thus it is always wise to insist on genuine B.M.C. Approved Accessories.

A further service which you might possibly require at some future date is the B.M.C. Exchange Unit Scheme. Under this scheme such items as engines, gearboxes, clutch and brake parts, steering assemblies, propeller shafts, differentials, rear axles, instruments—all rebuilt to as-new specification—can be obtained at reasonable prices upon return of the worn unit. Exchange units also carry a 12 months' warranty.

For full details of all B.M.C. Approved Accessories and Exchange Units please consult your local Distributor or Dealer, who will be very glad to help you.
